### YMCA Parent's Player's and Spectator's Code of Conduct for Youth Sports

To successfully accomplish our organization's mission and the goals of YMCA youth sports, the YMCA encourages only behavior which exhibits good sportsmanship and prohibits behavior which is negative, disruptive, and not in keeping with the spirit of a program designed for the growth and enjoyment of children. The code of conduct's primary purpose is not to be punitive, but to clearly communicate in advance that negative behavior has consequences. The YMCA strives to maintain an atmosphere in which competition, fair play, and gracious winning or losing exist under the umbrella of the YMCA's Christian heritage and mission.

- I will encourage good sportsmanship at all times by setting a positive example. I pledge to support all participants, including teammates and opponents, coaches, referees and spectators.

- I will demonstrate a positive attitude towards youth sports, not embarrassing myself or any other participant by yelling or creating a scene. I will keep winning and losing in perspective and applaud good effort in victory and defeat.

- I will strive to learn the rules of the sport and support the officials in their enforcement of these rules.

- I will support the goals of youth sports, including skill development, emphasizing fundamentals, building teamwork and encouraging fair play.

- I will demand a healthy environment, refraining from alcohol, drug or tobacco use at all sports events.

- I will monitor game and practice venues for safety.

- I will respect other players, coaches, referees and spectators, regardless of their race, creed, gender or ability.

- If I identify problems or have concerns, I will calmly seek solutions at a proper time and location, refraining from negative confrontations.

- I will participate in youth sports for the fun and enjoyment of the game.

- I understand the Youth Sports Department has the inherent authority to exercise discretion in the enforcement of this Code of Conduct. By signing the registration form you understand and agree with this Code of Conduct.
